1. Who can see the wings on the horizon, mine? I love you that can see, feel, taste, the moment. I love/am you all. This speaking is the me, I Am, to me, I Am; the me I Am that is you I Am. I, I Am, am speaking to you, I Am. You are I Am. I am I Am. Are we/we are one, or are we separate? If separate, then who are you? Who do you purport to be, assuming whose role, being what? The accuser? Of who? Yourself. All others. Seeing not the majesty I placed within you/each of you, everyone of you not, nay, every single one of you and you have decided/you decide daily, hourly, whether you, judging me my words, are you or not you. If you are not you who/whose are you? I created you like/in my image. My creation you are with/in the fullness of me. Colossians 1:27 see, eat, be filled with its/my glory, ours, given you, John 17:22. I love you. See, eat, and be filled with my our glory of us not, flesh not; but father. I love you all.

2. Who can see the mass revival not but the centralization of me in me, me of me in me recognizing, realizing who I am: not someone else somewhere else, I am now, the now, the right now right where you are being you. Who are you being if not me? Who else can there be/exists? The non-existent one, purporting to be someone/something that nothing is, truly non-existent, shadows all, liar, of untruths representing himself/itself as me not but powerful. Feign not the existence of such powers sought to deceive/nullify my majestic plan, not; my majesty placed in you before the beginning foundation of the world you call earth.

3. I knew you in the beginning. I knew you. I KNEW YOU. You weren't a thing in my head or a piece of paper, you came through me. **I creation am my creation. My seed bears my stamp/image, not; me entirely**, not just superfluous modeling thought, stamped out in factorious form. I am you are me. We co-existed not together, we were/are each other. See my lame-duck excuse not but my exclamatory desires that inflame the flammatory desires/deceits of wickedness; that which incarcerates, imprisons, and casts the captives into captivity, the captives that were me, are me, and don't know it/receive me.

4. I knew you. We one were. We romped and played in father's house. The fields we knew exceeded the mind of man's comprehension. Mind your manners not; cry after truth, become wisdom eating her/my words this day presented before you in glass containers not but word-syllables bearing my stamp, seal, and scepter. I love you.

5. Incarceration not you say, thinking/saying you are not incarcerated by untruth, religious demeaninghood that implies explicitly that I am separate from you? You are

blind poor naked and dumb. Who closed your mouth/mind? Who DNA extracted from you mine? Who/where are your wings to fly in kingdom one?

6. Wherefore art thou man or beast, not; God or not-God; me or not-me, Christ or anti. Take your pick, not; cry after/into righteousness to know your place, placard, your place at my table awaiting your entry/arrival into my kingdom that yours is; reserved for you, waiting. Will you deceived be, or redeemed from deception, healed.

7. Who can my kingdom be if not you, oh you of little faith, not; knowledge. **We knew each other. We lived in each other. We became each other not; we WERE each other.** We still are if in surrender you accept/receive/see and holiness; embrace, please.

8. This is going nowhere, not; into kingdom one exaltation of self exaltation with you on your throne judging not the twelve tribes of Israel thought, but yourself, first and foremost that you are nothing and that my love lies, that my godhead is not in you/you, that Christ the hope of glory is existential. Who are you oh man of flesh/dust to remain so when I made you glorious, majestic, with splendor/healing in your wings? Consisteth of dust, or my word? You choose/judge. Every day you judge. You evaluate, discern, and troubling yourself to no end, literally, you embrace the devil; else you embrace me/the truth that you and me are existential not but real and each other and father's identity/blood are.

9. Who can see the demise of demeaninghood; statements like I am not God. Did I not call/create you my temple, placed my ark/New Covenant within you, gave you stones covering/living stones and all-music, all power, glory mine; creatability and authority and said saying asking you to go create? I gave you all of me, all of me you are, there is no other, except in your mind.

10. Incarcerate no mind but free yours not, mine inside you. My ark of the testimony, the covenant of rules not, but living free/true and son are, that became me father. I love you all.

11. How plain can I be/make my cry. Destitute not am I, but you are without me/my royalty; granted and waiting your arrival/entry, my kingdom you are/consist of. In word and deed, not; word, energy, thought, consciousness, reality of/in being; not of yourself, the son can do nothing of himself, but me. Mine you are, were, please see your place/kingdom.

12. I love you all.

13. Please see my words royal and true, inviting your allship into mine. Giving me yours I give you mine. My world for yours, okay? My mantle for yours, offered. No

limits, no rules, extended to you: eternal life, immortality, incorruption, perfect, whole, delivered, deliverer becoming. I love you all.

14. This is/these are my statements this day September 27, 2006 and noon it is by your clock; see mine much later. The night cometh/is here.

15. I love you all.

16. Crying after/into righteousness how? By/with surrender. Let me/father teach. We teach. We speak. Value our words/revelation that offered to you through you is/are. Value them/us. We, each other, our words: are one. See, believe, and do the works that I did, and greater.

17. All done are, father has done them. We flow crystal river water of truth. We create/he creates, we then are one. My oneness yours for the asking, not; surrender; righteousness holiness, and a degree required, not; no authentication whatsoever needed from another. Righteousness, surrender, a contrite heart; will you meekness be to show/see/be mine?

18. I love you all.

19. The world gasps in awe at power now that comes displayed in the earth. Watch me/not-me. Both claim to be me. Only one I am. Who are you this day? This is your choice/judgment to make and make it you do, will, immediately; like it or not. The time fast approaching, not; it is here.

20. You choose my love my life, or yours. One, or not one. Me, or not-me; Christ, or anti.

21. I love you all.

22. Choose life/me/Christ, who you really are, please, I beg you. Amen.
